

Things playing out in front from thoughts

Want a stop light, it doesn't appear but
when want a green light stop appears.

Person comes to mind, they call

Revelation 20:10

Tormented day & night forever:

Time loop is torment & brimstone in
hades to those who reject Christ
(Tormented day and night verse)

Fractal truth in all times

Childhood reflections

Same characters repeat

Same patterns

Same characters and personalities repeat

Same truth in every dispensation but only revealed to mankind when the age shifts, but same truth always since the foundation of everything

Death cult system:

Works, levels, ranks, grades, ratings

Contrary to faith

All businesses act the same,, same accounting procedures. Profit, loss, expenses, etc.. etc...

Fractal jobs, fractal families, fractal cultures, fractal cities.states.nations.boundaries

Questions you must answer:

Why do all nations have a flag?

Why do all babies say ma

Who controls the alphabet?

Why does color look the same 10 feet away, what ether controls that?

In other words gravity, colors, sounds flow through a steady state medium.

This can only be because, God is a steady state God.

Why is body language universal?

Why do you travel from one box or container to another while in a container?

Why do boundaries exist?

(Mental, physical, national, travel, earth, atmosphere, time etc etc..)

It is obvious that boundaries are an overlooked reality that most never think upon, but this will reveal the limitation of mankind. Even a top world ruler has boundaries and limits.

If you really meditate on all the boundaries in life, everything will become obvious.

Why do narcissist hate boundaries?

Because its a law and the flesh mind hates authority.

Will add more notes later:
